

Sponsorship Opportunities

The purpose of the **Salute to Manufacturing** is to recognize South Carolina manufacturers that have made significant contributions to their workforce, community and state as well as enhance the general public's understanding of the important economic role manufacturing continues to play in terms of creating jobs and wealth. Through the awarding of the **Silver Crescent Manufacturer of the Year Awards**, we celebrate manufacturing excellence with some 500 business and community leaders who are committed to supporting a strong manufacturing sector in our state.

Produced by the **Silver Crescent Foundation** and the **South Carolina Chamber of Commerce**, the **Salute to Manufacturing Awards Luncheon** will take place on Wednesday, September 22, 2010 at the Radisson Hotel & Conference Center in Columbia. In addition to the annual awards luncheon, this year's event will feature an **educational forum for manufacturers** in the morning followed by a **pre-lunch reception honoring past award recipients**.
