

Sponsorship Opportunities

The purpose of the South Carolina Salute to Manufacturing is threefold:

- 1. To enhance** general public awareness of the importance of manufacturing and its correlation to the creation of wealth, living standards and job creation.
- 2. To challenge** conventional wisdom about manufacturing among young people and encourage students to pursue careers in engineering and technology.
- 3. To recognize** manufacturers who have made significant contribution to their workforce, community and the state.

Produced by the Silver Crescent Foundation and the South Carolina Chamber of Commerce, the Salute to Manufacturing includes the Salute to Manufacturing Awards Luncheon and the Silver Crescent Manufacturer of the Year Awards.

Event Date: September 22, 2009 • Southeastern Institute for Manufacturing Technology, Florence, SC
